COMMON QUESTIONS

WHERE DO I RETURN MY VEHICLE?

The GMC dealership where you leased your vehicle is best qualified to help you with the return process. If you have moved a significant distance from your originating dealership, you can turn it in to another GMC dealership. If you need assistance with the return process, you can message us in **MyAccount** or the **GM Financial Mobile app**. You can also call us at **1-866-631-0132**.

WHEN DO I RECEIVE MY SECURITY DEPOSIT?

If your lease agreement includes a security deposit, it will be returned to you, less any remaining amounts owed under your lease agreement, within 60 days of turning in your leased vehicle.

WHAT CHARGES CAN I EXPECT ON MY FINAL INVOICE?

Any excess wear charges, remaining payments, excess mileage charges, fee, taxes and/or citations can apply at lease end. See your lease agreement for details, so you know what to expect.

HOW CAN I OBTAIN A PURCHASE OPTION PRICE?

Contact your originating GMC dealership to assist with obtaining a purchase option price, or call GM Financial at **1-866-631-0132**. Please have your account number, Social Security number or vehicle identification number (VIN) available to help us quickly locate your account.

CAN I TURN MY VEHICLE IN EARLY?

Yes. You can turn in your vehicle early. However, you are still responsible for applicable charges under your lease agreement.

SELF-INSPECTION

Know what to expect by using the Wear-and-Use Card that's inserted in the back of this guide. Worried about overages on mileage? Explore tips to stay on track by visiting gmfinancial.com/LeaseEnd.

Self-inspection is not considered an official measurement of wear and use, but you can get an idea of what you need to discuss with your GMC dealer during your vehicle pre-return inspection.

COMPLIMENTARY PRE-RETURN INSPECTION

Visit AutoVINLive.com or call **1-800-556-2811** to schedule your pre-return inspection. The dealership you leased from is the best place for this inspection, but you can schedule it at home or work if that's more convenient.

Although a pre-return inspection can help you identify what repairs might need to be made before you turn your vehicle in to avoid potential extra fees; some lease-end fees might still apply. Refer to your contract for more information.

REPAIRS AND MAINTENANCE

Depending on your pre-return inspection results, you may need to make some repairs to avoid lease-end fees. Scheduling the inspection and your repairs at your GMC dealership is an excellent option.
